Dear Rev. Sr. XXXXX,

**NEW SPONSORSHIP FOR 01**

We are pleased to inform that we have found a sponsor from Norway, who is willing to help a Child in your home. The particulars are given below for your information.

Please send a letter at your earliest to the sponsor thanking for the kind gesture in sponsoring a child and including much information about the Home and the child. Such an early response would encourage the Coordinators in Norway to find more sponsors and also ensure their support.

As instructed by Mary's Friends Foundation Circular Number 3 & 2, please ensure that the child writes to the sponsor on a regular basis after receiving sponsorship payments.

With Best Wishes

Yours faithfully
